1. Registration / Acceptance Qualifications

The school may undertake screening and assessments to determine the right placement of an applicant. The school determines the educational enrolment criteria, and is in line with any government, ministry, or oversight entity of the country they are licensed in. This includes age requirements, school complete documents, academic standards, and being able to rightfully remain in the country.

Screening and assessment standards and process for students are determined by the admission committee, and are necessary to complete the registration process for the school. After completing the steps, a student may be offered a seat, placed on the waitlist, or denied a place in the school

Student acceptance is based on space availability and the following minimum criteria:

- Age appropriate for the requested year group
- Successful completion of the previous school year
- Admission/placement assessment results (when required)
- Previous school records (transcript, transfer certificate, recommendation letters, therapist letters, doctors' letters and standardized assessment results as applicable)

2. Non-Acceptance for Enrollment

The school reserves the right to limit student enrollment and/or withdraw student participation at any time. Non-acceptance of students may occur during the inquiry phase or assessment and registration phase, prior to the enrollment phase. For applicants who have gone through the admission process and are unsuccessful, the application fee can be refunded. Student candidacy or membership can be withdrawn any time before / after enrollment is complete.

We recognize the importance of early identification of students with potential additional support needs in order to identify whether suitable, individualized intervention can be supplied within an inclusive mainstream school such as GEMS Founders School, Al Mizhar

Should we feel that a student may benefit from placement within the Small Steps Autism Unit, a referral will be made by the Inclusion Leader to the Small Steps BCBA with the parents' agreement and a meeting with the parents will occur.

Vision

'At GFM we empower students to have the heart to celebrate uniqueness and the mind to be innovative, creative problem solvers, bringing a positive change to the world in which we live.'

3. Application Rollovers

A parent will need to respond to the registrar, their intent to remain on the waitlist for the next year. After two years on a waitlist, a parent can only remain on the waitlist by reapplying and resubmitting the required documents. If they wish to not to remain on the waiting list, the application fee can be refunded.

9. Notification of Acceptance

Families will be notified (telephone or email) in cases of acceptance or non-acceptance within 72 hours of taking a placement assessment, provided that complete applications and all required documentation has been submitted. If sibling considerations exist and a suitable place is available, calls or emails will be coordinated across the school. Siblings must go through the full application process, including undertaking an assessment. All acceptances falling out of school session will be considered conditional pending a placement assessment. Final approval will follow an assessment evaluation.

10. Enrollment Disclaimer

The school makes every effort to enroll qualified students who have fully completed the application process and who have met the academic acceptance requirements. The senior leadership team reserves the right to limit enrollment as well as to exclude students at any time and without notice.
